SACRAMENTO COUNTY ORDINANCE REQUIREMENTS

OWNER BILLING Payment for charges is the responsibility of the recorded parcel owner.

DUE UPON BILLING Charges are due and payable upon presentation.

PAYMENTS Payments may be made by mail using check or money order. In person by cash, check or money order. By phone or internet with credit card or e-check.

When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

DELINQUENT PENALTIES Utility charges unpaid at the due date become delinquent, and shall incur a penalty charge of 10%. The delinquent amount shall thereafter incur an added penalty charge of 1.5% per month until paid or placed on the Property Tax Bill. If collected with taxes, the total delinquent amount, including accrued penalties, will incur an additional 10% penalty.

CHARGES CONSTITUTE A LIEN Utility charges and penalties constitute a lien upon the parcel receiving services. This lien will be recorded if delinquent amounts remain unpaid. A release of lien document will be provided when the delinquent amounts are paid in full. It is then the responsibility of the property owner to have the release recorded and pay associated recording fees.

MANDATORY SERVICE - NO VACATION/VACANCY CREDITS If the property is within a mandatory service area and not exempt by provision of ordinance, vacation/vacancy credits or relief from charges is prohibited.
